

### BULK ITEM PICK UP

Bulk pick up is available at no cost, once a year. To schedule a Bulk pick up, call (410) 297-4259, and leave your Name, Address, Phone Number and a list of items to be picked up. Or complete an online request form available at [www.aberdeenmd.gov/edocs](http://www.aberdeenmd.gov/edocs)

### ADDITIONAL CONTAINERS

Additional bags of trash, beyond what fits inside the City issued Toter (with lid closed), must be placed in a self-procured 64 Gallon container with a City-issued permit affixed to it or will be subjected to bulk pick up fees. For more information visit [www.aberdeenmd.gov/edocs](http://www.aberdeenmd.gov/edocs)

### STAY INFORMED

Sign up for notifications on waste collection changes with our One-Step notifications using Blackboard Connect. We will call, text or email you changes in the waste collection schedule and notify you of other important issues. To sign up, go to [www.aberdeenmd.gov/notifyme](http://www.aberdeenmd.gov/notifyme) or call 410-272-1600 ext 219.

You may also subscribe to our free weekly newsletter that includes waste collection schedule changes. To sign up, go to [www.aberdeenmd.gov/enews](http://www.aberdeenmd.gov/enews)

2	Tuesday	1st & 3rd Friday
3	Wednesday	2nd & 4th Friday
4	Thursday	2nd & 4th Friday

To find your zone, visit [www.aberdeenmd.gov/zones](http://www.aberdeenmd.gov/zones)

## TYPES OF WASTE

Household Trash consists of everyday items we use and then throw away, such as product packaging, discarded clothing, food scraps, mail, etc, that come from inside your home.

Recyclables are waste consisting of paper, glass, plastic, and metals, that are separated from Household Trash to be used to make new products.

Yard Waste is the collection of organic materials such as lawn clippings, leaves and sticks from on your property.

EPA considers some household products that could catch fire, react or explode under certain circumstances, or that are corrosive or toxic as Household Hazardous Waste. Products, such as paints, cleaners, oils, batteries, and pesticides can contain hazardous ingredients and require special care when disposed of, and should not be placed in your containers.

For the City's list of acceptable Recycling and Yard Waste items, visit [www.aberdeenmd.gov/edocs](http://www.aberdeenmd.gov/edocs).

For more information, visit [www.aberdeenmd.gov/environmental-division](http://www.aberdeenmd.gov/environmental-division)

## COLOR CODES

The landfill cannot accept our trucks if there is mixed waste. To avoid a disruption in service, please follow the following color coding when separating your waste.

TOTER COLOR	WASTE TYPE
Black or Green	Household Trash
Blue	Recyclables
Brown *	Yard Waste

\* Black and Green Containers are acceptable, but must be clearly labeled as "Yard Waste".

## REMEMBER THE 4 Bs

Recycling and Yard Waste must be:

Blue  
Brown  
Bagged  
Bundled

- Blue 64 Gallon Containers for Recycling
- Brown 64 Gallon Containers for Yard Waste
- Paper Bags for Yard Waste
- Bundle with Twine or Cotton Rope only
- No Bundle over 60 Pounds
- No Tree Limbs longer than 4 Feet
- Bundles must be of sufficient strength to not rip or rupture.
